Hi Liv, I'll give you a quick call at 9:30 and we can discuss any further call that would include others. (I will call from an unlisted number, which caller ID may label "unknown.")--Cindy

Thank you, Cindy, for this quick response. Are you available to discuss Thursday at 9:30am or Friday at 8:30am? (Both times PT.)

Hi Liv,

It was nice to hear you on the call yesterday too. Thank you for your kind thoughts, and I wish the same for you.

In response to your second question below, I've attached an EPA letter to the Oregon Department of Environmental Quality, the Oregon Department of Agriculture, and the Oregon Health Authority. We have not yet received a response, which we requested by August 10. Please let me know if the letter is responsive to your question, or if you would like for me to arrange a call with the managers for this matter.

In response to your first question, I should be able to respond with a quick call to you. Please let me know your general availability tomorrow and/or Friday.

Thank you,
Cindy

Hello Cindy,

So nice to hear your voice yesterday on the Portland Harbor call. Thanks again for setting those up. I hope you and yours are staying healthy and safe during these turbulent, challenging times.

I have a couple of questions for you, hope we can connect on these via phone if possible.

1.

Non-responsive per agreement

2. I understand that earlier this year a Safe Drinking Water petition was filed with EPA regarding the Lower Umatilla Basin. Just as above, I'd like some information about EPA's process for considering such petitions and to get a status update on this petition, please.

Please feel free to write back or let's set up a call to discuss. My cell number is below.

Thank you, Cindy!
Liv.
